Message from the Mayor

Dear Residents,

Let me be among the first to congratulate our newly elected City Council Members. Thanks to all those who ran. To the citizens that opened their doors to listen to the candidates; my personal thanks go out to you. It makes me very proud to see so many individuals that care about the goings on throughout our City. Running for office takes a lot of work and time away from family. I thank each and every one of you for your professional conduct and for showing all Selma residents that they are now and possibly one day will be great ambassadors for the City of Selma.

School will be soon out for the summer. Many will have major events, like proms and graduations to attend with friends and family members. I want to take this opportunity to wish you all the very best and to side with patience as things get hectic. Always remember to stay alert while driving and be safe. At the end of the day we want all our residents to return home with only great memories for years to come.

Sincerely,
Mayor Tom Daly

Reporting after hours minor emergencies; Emergency contact numbers

The number to call on weekends, holidays and after normal business hours for City Offices is Live Oak Dispatch at 653-0033. Any major emergency should be reported through the 911 system. By minor emergency we mean water main breaks, water pressure issues, vicious dogs, or downed tree limbs

in the right-of-way. Live Oak Dispatch will then get the on-call Public Works Employee to respond.

Selma has a call back (some call it Reverse 911) system that is utilized to inform neighborhoods or the entire City should some natural disaster or emergency occur. Your number is

not shared with any other agency or data base. If you have changed phone numbers or switched to only cellular service since you signed for utility service, we ask that you call 651-7807 and update your phone contact information.
